HOW TO MEASURE:

½ Chest: One method is to compare your own garment size to ours. You can do this by measuring the ½ chest of your garment (lay your garment flat and take the ½ chest measurement) and then compare it to the sizing in the table above.

Length: Measure from the nape of the neck down the back to the hip (or desired garment length).

Sleeve Length: Measure from the armpit to the wrist (just where hand starts to widen).

If in doubt, choose the next size larger.
