## SIZING

Regardless of the brand, all garments are hand made or sewn by hand using machinery that physically requires a 'human touch'. No garments are 'popped out' of machines, every garment is sewn by hand.

## HOW TO MEASURE:

$1 / 2$ Chest: One method is to compare your own garment size to ours. You can do this by measuring the $1 / 2$ chest of your garment (lay your garment flat and take the $1 / 2$ chest measurement) and then compare it to the sizing in the table above.
