HOW TO MEASURE:

½ Chest: One method is to compare your own garment size to ours. You can do this by measuring the ½ chest of your garment (lay your garment flat and take the ½ chest measurement) and then compare it to the sizing in the table above. **If in doubt, choose the next size larger.**

HOW TO MEASURE FOR YOUR GARMENT

Half Chest: Measure under your arms around the fullest part of your chest. Match your measurement to the measurement on the chart to determine the size required.
